## Armenia Workshop

September 19-22, 2013

Marriott, Yerevan

*We are thrilled to welcome you to an extraordinary journey of  
creativity, beauty, elegance and inspiration in glorious  
Armenia!*

## DAY 1

- Meet and greet at the lobby of the conference center
- Introduction of Badger Photography and each participant
- Camera basics, rules of thumb in wedding and fashion photography
- Live shooting on location - see Badger in action, discover how the magic happens through a shooting with gorgeous models in the unparalleled beauty of Yerevan and Armenia!

*And when it gets darker... demonstration of night shooting techniques!!*

## DAY 2

- Meet at the conference center
- Review first day's shooting & discussion
- Editing and post-production magic!!
- Live shooting around Yerevan - we will split in small groups and will have a model per group!! Everyone will get a chance to pose and shoot the models in stunning gowns!!!!

*Shoot till you drop...*

## DAY 3

- Meet at the conference center
- Review & critique of your edited images from Day 2 shooting
- More editing & post-production demonstration using your images
- Editing till you drop... so we can move to a motivational and inspirational presentation about the business of photography!!! Get insider tips on how we run our studio, market ourselves and sell our work!!

*Edit, edit, edit...*

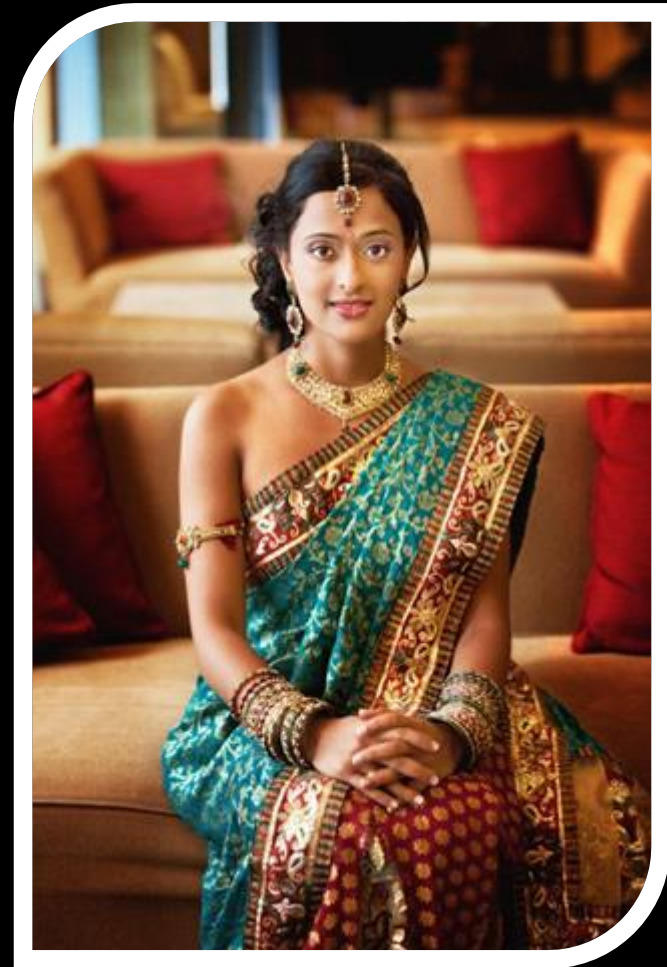

*... and edit some more*

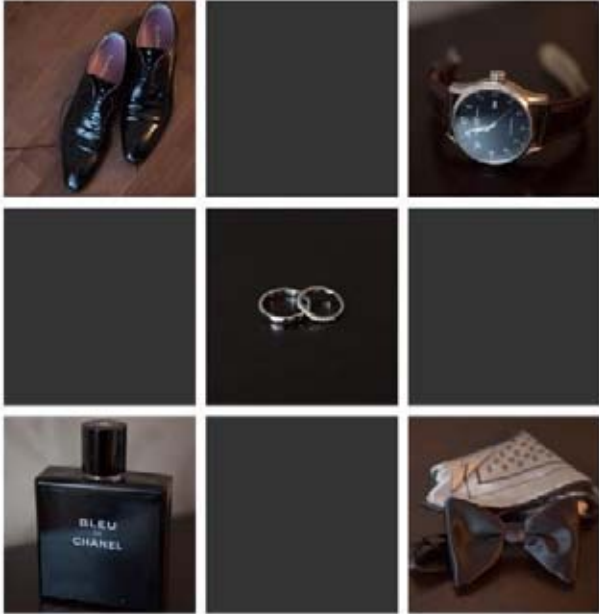

## DAY 4

- Meet at the conference center
- Inspirational photos
- Critique session of your photos from your personal portfolio
- See how they could be brought to the next level with better posing, lighting, camera technique and post-production!
- The art of album design & storytelling: how to shoot for an album and design albums
